

Call for Papers

ISSA 2018

Supported by:

2018 Information Security for South Africa conference

<http://www.infosecsa.co.za>

Johannesburg, South Africa

15 - 16 Aug 2018

The 17th international ISSA conference will be held from 15 to 16 Aug 2018 in Johannesburg, South Africa. As with the previous ISSA conferences, the forthcoming ISSA 2018 will again present the latest developments in information security, and bring together national and international researchers and practitioners.

We solicit previously unpublished papers offering novel research contributions in any aspect of information security.

ISSA 2018 supported by IFIP.

The proceedings of ISSA 2018 will be published in Springer CCIS (Communications in Computer and Information Science)

Topics include but are not limited to:

Access Control	Security Education	Hacking / cracking
